

THE SON
THE SANCTUARY OUTPOST NEWSLETTER
"The Director's Pen"

October 2012

As I sit at my desk looking forward to the start of another fall/winter RV Resort season, I am amazed at the work being done by the chaplain of CRM International in general, and by the men and women of the Sanctuary Outpost International division of CRM International in particular. I am of all men most blessed to lead this international arm of the ministry of CRM International into a new and challenging season.

I was thinking this morning of Fanny Crosby. She was perhaps the greatest hymnist who ever lived. She was visiting Howard Doane in Cincinnati and while she was there she was asked to speak to a group of blue collar workers.

While speaking with the group she had an overpowering sense that some mother's son must be rescued this night or not at all. She called for that one to meet her after the service.

Afterward a young man approached her and asked, "did you mean me"? Fanny had the joy of leading him to Christ. Returning to her room that night she wrote the words to "Rescue the Perishing" before retiring. The next day Howard Doane wrote the music.

Years later, speaking at the YMCA in Lynn, Massachusetts she told the story behind this great hymn. After the meeting a man came up to her and told her he was the boy who had come to her that night so long ago. It changed Fanny's life when he said, " Now I can meet my mother in heaven, for I have found God!".

She moved to the Bowery in New York and went day after day to rescue the perishing.

That is our job at Sanctuary Outpost. There is room and opportunity to join us. The Lord is looking for a few good men and women and we are looking for partners to pray, to give, or to join us. What are doing for the rest of your life?

International Director of Sanctuary Outpost

"Rescue the perishing,
Care for the dying,
Snatch them in pity from sin and the grave;
Weep o'er the erring one,
Lift up the fallen,
Tell them of Jesus the mighty to save."
