News from Sanctuary Outpost

Greetings everyone!

Here it is a new month and time for the June/2015 update from Sally and myself. As always we are blessed by your interest in our work and your partnership with us.

June saw us have opportunity to preach a four day revival service at The New Testament Church in Rutledge, Missouri. This church has been on our support team for the past seven years and they welcomed us with open arms. It was great to encourage them with what God has done in that span of time. They are equal partners in the accomplishments. God is GREAT!

We are making some needed alterations to the CRMI headquarters buildings at Sycamores Chapel in Checotah, Oklahoma. We are tying all of the individual buildings on the campus together under one roof and at the same time, beginning a Sunday praise and worship service to complement our Monday and Tuesday home Bible study opportunities. This facility is growing and allowing us to feed the hungry, clothe the naked and preach the Gospel to the entire world through our International division of CRMI. Please pray for those volunteers who have put in new air conditioning, done all of the building projects, and provided funds for the lawn care and garden components of the work. I promise pictures in next month's updates.

We are feeding a hot meal each Saturday at our Friendship Kitchen outreach. We are averaging 100 people. Please pray for racial reconciliation as we minister to blacks, Hispanics, homeless, under financed, seniors and children. We long to include them in Jesus' program of care and appreciation.

Thank you for caring!

Blessings!
