

## Dennis & Sally's October 2015 Newsletter

---

### **Division Manager of Sanctuary Outpost**

October greetings from Checotah, Oklahoma.

Sally and I are in the midst of finishing projects here at Sycamores

Chapel. It has been an intense time of preparation with the idea of beating 'Old Man Winter' to get things 'in the dry' so that we can complete some of these

things in winter. We are so blessed by the ones who have given of their time and their resources for these projects. One of the projects is the new RV pad that we are preparing here on site.

Our additions to the facility here are moving ahead and the canning shed will be ready preparing the produce from our community gardens next season. We are trying to take our lessons from the ants of Proverbs 6 and make the property here totally ready for the next ministry season at CRMI. It is great to be a part of the Family of God!

The month of October is always a busy one for the CRMI family. In our capacity as International Managers, Sally and I are preparing for our annual training event and annual board meeting in Branson, Missouri. It is a wonderful time to reconnect, meet the new chaplain, and find out what is new and different in the CRMI ministry venues. This year October will be doubly busy as I (Dennis) will be with Terry and Marta

Lansdale for a week in the US Virgin Islands. We will be able to become acquainted with Terry and Marta's church family at Fresh Water Church USVI and interact with those Terry has invited to talk about the Caribbean Basin and the vision there. I will speak more of this next month.

Please pray for wisdom as we plan and seek God's face for international outreach for CRMI in the coming year. Thank you for your interest in Sally and myself and our work. It would not be possible without your prayers and support

Blessings!
